<sup>[1]</sup> Depending on tire variation

Dimensions in mm

## ENGINE

- + CUMMINS X12, 298 kW
- + DEUTZ 215V6, 300 kW
- + Fuel tank capacity max. 200 l
- + EU STAGE V
- + US EPA TIER 4F

## TURNING RADIUS

- + 7,140 mm
- + 7,500 mm long version

## TRANSMISSION

- + 6 gears forward/3 reverse
- + Draw bar pull limiter dependent on selected aircraft type
- + ZF automatic full-power-shift transmission with integrated torque converter, manual and automatic gear-shifting mode

## AXLES

- + Driven steering axles with planetary drives in the wheel hubs
- + Front and rear axles driven by full-power-shift transmission through joint shafts

## STEERING SYSTEM

- + Standard 4-wheel steering
- + Front-wheel and crab steering (optional)
- + Emergency steering pump

## TIRES

- + Front and rear 16.00x25 <sup>[1]</sup>
- + 1 Front and rear 18.00x25 <sup>[1]</sup>

## BRAKES

- + 2-circuit service brake
- + 1-circuit failsafe parking brake
- + Brake pad wear indicator

## HYDRAULIC SYSTEM

- + Brakes and steering system
- + Cabin-lift and jacks

## ELECTRIC SYSTEM

- + Alternator 28 V/110 A
- + Battery capacity 2x12 V/225 Ah
- + Engine starter 7.5 kW

## CABIN

- CABLESS + Full-width elevating, all-steel front cabin
- BASIC CABIN + Comfortable driver's and passenger's seat with safety belts (third seat optional)
- + Adjustable steering column
- + Interior lights
- OPEN CAB + Wiper-washer system for front
- OPTION + Rear-view mirrors (1 inside, 2 outside)
- + Front tow-hitch mirror
- CLOSED CAB + Lockable doors with sliding windows
- OPTION + Cabin/windscreen ventilation and heating
- + Heated rear window with screen wiper

## OPTIONS EXAMPLES

- + Cushioned tow hitch
- + Aircondition system
- + Second passenger seat
- + Electrically adjustable and heated rearview mirror
- + Rear-view camera
- + Auxiliary heater Webasto with timer
- + Central lubrication system
- + Remote Control
- + 4 integrated hydraulic jacks
- + And many more
