TRAILERS

THE »MIDDLEWEIGHT« CLASS

They just keep moving: With their certified quality standards, our trailers for payloads of between 25 and 50 tons also retain their value. Packages are available with full warranties, for your peace of mind. For all your transport operations, we offer individual solutions with state of the art engineered trailers. Attractive accessory packages are available for all rental agreements.

SEMI-TRAILERS

THE »HEAVYWEIGHT« CLASS

If you are looking for a flexible addition to your fleet to get things moving, come to Goldhofer! We offer top-quality customized semi-trailer solutions for your specific transport requirements. Our special offer: Rent the latest technology at a fair price.

HEAVY-DUTY MODULAR TRAILERS

THE »SUPER HEAVYWEIGHT« CLASS

When things get really heavy: Deploy one of our hard-working mega payload trailers. These heavy duty modular trailers are a sound commercial proposition as an addition to your fleet for transport operations. With payload capacities from 80 to over 10000 tons and your choice of configurations including various gooseneck and cargo deck solutions, we guarantee the right vehicle for the load and route involved.

AIRCRAFT TRACTORS

THE »ECONOMY« CLASS

Pure efficiency: Goldhofer aircraft tractors are the perfect solution for handling everything up to the Airbus A380 – fast, safe, reliable. The proven and modern solution for aircraft push-back and towing.
